

Chamonix ES35AFB (black)

A long-time favorite with consumers, the Chamonix combines precision performance and convenience with a sleek European look! Selected as a "Best Buy" by a leading consumer testing publication, Chamonix offers all the Briel standard features plus the patented Auto Espresso Flow™ feature, a micro-chip timing circuit which allows you to pre-select the amount of espresso that flows into the cup. ***New & Improved version ESE adaptable for use with ground coffee or coffee servings (pods)!***

Additional features include:

- Constant 15 Bar pump pressure (substantially above the minimum requirement of 9 Bars necessary for an authentic espresso) produces a savory espresso with perfect crema every time.
- **ESE** adapted for use with ground coffee or coffee servings (pods).
- Filter holder and filter basket that can accommodate both ground coffee & ESE pods coffee servings (pods).
- Automatic self-priming pump eliminates annoying start-up preparation.
- Turbo Jet Frother, a Briel exclusive, produces plentiful dry steam for a thick milk froth for a cappuccino or latte.
- Patented Crema Master™ filter produces rich genuine crema every time and AquaStop™ No-Drip System prevents dripping and need to "bleed" machine of remnant water.
- Stainless steel boiler – it's better!
- "OK" light signals when machine is ready for brewing or frothing.
- Two thermostats regulate the coffee cycle and steaming cycle, with a third "safety" thermostat located on the pump in the event of abnormal or continuous use.
- Large, removable water reservoir which fills from the top.
- Water filter on intake.
- Removable overflow tray for easy clean-up.
- Built in coffee tamper and measuring spoon included.
