

# Cadiz ES62ABF (black)

A recent addition to the Briel line of "Maxi" machines, Cadiz offers a sleek Stainless Steel look exterior with added features such as Briel's patented Auto Espresso Flow™ and a warming plate for pre-heating cups. Cadiz is an impressive machine that makes it easy for anyone to create authentic espresso, cappuccino or latte every time! *New & Improved version ESE adaptable for use with ground coffee or coffee servings (pods) !*

## Additional features include:

- Constant 15 Bar pump pressure producing a savory espresso with perfect crema every time.
- **ESE** adapted for use with ground coffee or coffee servings (pods).
- Filter holder and filter basket that can accommodate both ground coffee & ESE pods coffee servings (pods).
- Turbo Jet Frother, a Briel exclusive, produces plentiful dry steam for a thick milk froth for a cappuccino or latte.
- Patented Crema Master™ filter produces rich genuine crema every time and AquaStop™ No-Drip System prevents dripping and need to "bleed" machine of remnant water.
- Stainless steel boiler – it's better!
- "OK" light signals when machine is ready for brewing or frothing.
- Two thermostats regulate the coffee cycle and steaming process, with a third "safety" thermostat located on the pump in the event of abnormal or continuous use.
- Push button switches – dependable quality.
- Large, removable water reservoir that fills from the top.
- Water level visible from the front.
- Water filter on intake.
- Removable overflow tray for easy cleanup.
- Built in coffee tamper and measuring spoon included.
